# Heidelberg's Private School Center Welcomes International Students!

The Heidelberg Private School Center is located in the heart of Heidelberg, near the Heidelberg Central Railroad Station, and consists of a primary school, a secondary school, high schools and the International Baccalaureate (IB).

Our motto stands for our three pedagogical commitments:

## 1. *Belong to our School Family*

Small class size is important to us. We strive to build and maintain a familial atmosphere through relationship building, parent engagement, and our school social work.

## 2. *Engage globally*

We are living in a globalized world where good language skills have become more important than ever. At our school, our students receive bilingual instruction in English and German starting in first grade.

As their education progresses, Spanish, French, and Chinese will be offered as additional foreign languages. Besides welcoming many exchange students, we also give our students an opportunity to spend a year at an international partner school.

## 3. *Grow for the future*

We understand that school should prepare students for careers and life; therefore, we work intensively with the industry and various partner companies to get them involved in our education and school projects. Our student run companies (enterprises run by students guided by teachers) equip them with business competence and in collaboration with parents, we have attractive internships to offer.

We provide three packages for international students:

### 1. *International whole day*

€ 795 / month

**Time:** 7:15 a.m. - 5:00 p.m.
